Love Thy Neighbour

My neighbours are a responsible bunch – they keep their eye on my property and I keep an eye on theirs – and their gorgeous 18-year-old son Ben.

So when my neighbours, Jeff and Sue, went off on a holiday leaving Ben behind, they asked me to keep an eye on him. I had to make sure he wasn't having any wild parties and, most importantly according to Sue, that there were no girls staying the night.

Now I'm single, and have been since my husband and I split up three years ago. I've had the odd fling, but the thought of Ben being all alone in the house next door got me more turned on than I had been in years.

After a couple of days, and nearly wearing out a couple of vibrators, I popped round to see how he was doing.

He seemed pleased to see me. I asked him if needed anything. He said I should be asking him, a woman all on my own. "I'm not very good at DIY and all that..." he trailed off, his

eyes averting from mine.

Now I'm a good looking woman, and I was old enough to be Ben's mother. Seeing his bashful attempt at flirting with me made me want to pat him on the head.

"Do you want to talk about anything?" I asked him, as a prelude to coming for a drink. I know how to talk to men and this lad was no different.

It turned out he was concerned about his girlfriend, who he had met at sixth-form college. As he put it, she had been round the block and he was...

I avoided the word "virgin" knowing it would embarrass him. "It'll be your first time?" I asked.

He shrugged, and swigged on a can of beer.

"My advice is to take it slow," I said. I swallowed and took the plunge. "Come and sit over here by me."

I took his hand and

playfully placed it over my pussy.

"I like it to start nice and slow, like this," and moved his hand back and forth over my lips that were starting to swell up.

I put my arm

around him and felt his body tremble under me. "Enjoy it!" I urged him as his hand began to gather pace rubbing over my cunt.

I reached over between his legs and sure enough he was as rock hard as only an eighteen-year-old can be.

I undid his flies, so

CONTACT ME

turned-on by his heavy breathing and fluttering heart and feasted my eyes, then my mouth, on his twitching bulbous cock.

I gripped his arse cheeks and lapped at his cock, tracing the ridges of his helmet and shaft with my tongue.

The boy was a fast learner and soon had my knickers off and his fingers in my twat. I was so wet he slid up fast and I told him to hang on.

I lay on my back and popped my boobs out which he licked and bit at like a starved dog.

I lifted my legs up and he straddled me, pushing his cock down into my fuck hole for the first time.

"Take it slow," I breathed, holding his balls to prevent him from squirting too early.

A few hard thrusts though and he filled me with cum. I've heard the first time for a man is amazing, and Ben must have pumped about a gallon into me, gripping my boobs as he squeezed the last drops into me on the tenth or eleventh push.

"Now don't you feel better?" I asked him. He nodded, sweat-drenched.

Sure enough when the party happened the next night, Ben came round the next morning to tell me how far he'd got with his girlfriend.

"I want to thank you," he said, still shy but not as much.

"Well there's one way to do that," I said, pulling him in. "There's still two days till your parents get back!"

Judy, Durham.

RHIANNON

Northern lass Rhiannon might hail from Lancashire, but she's having a crack at breaking London at the moment...

"Well, I'm not trying to break it – but I'm having a fantastic time living in it! There are so many clubs and places to go – and loads of really kinky ones too. Me and a friend love getting dolled up and heading out to some of the more exotic clubs and seeing how we get on. So far so good – we've never finished the evening completely empty handed – well, mouthed or pussied!"

Sounds like swinging London's just the place for you, then!

BOSOM BUDDIES!

Call me old-fashioned, but sometimes you just can't beat the sight of a girl with a massive pair of funbags getting fucked left, right and centre before being slathered in of harry monk, and that's exactly what this flick from Score delivers, in spades! Bella Blaze is clearly proud of her stupendous rack, and it isn't long before her fella's suckling away like the jammiest baby in the world. Still, she soon gets in on the suckling

act as she slurps on his swollen pole before they get down to business, with plenty of tit-jiggling as he slams away before she finally tugs him off over her knockers. And from there on in the boobs just get bigger and bouncier – mmm, perfect! Available from you local sex shop.

GRAN PRIX!

Well, if you fancy having a crack at a mature slapper who craves a stiff prick then Holland seems to be the place to head for, if this spuff flick is anything to go by. Four game old girls (although to be honest I'd be surprised if the brunette in the final scene is anywhere close to having grandchildren yet) hook up with a couple of studs each for a double dicking that their advanced age seems to make them crave

even more than your average porno splosher. If the thought of watching a matronly-type cramming a cock into her mouth with another callow youth slams away at her mature cunt, then this one'll do the job nicely, especially as it turns out the last two to get nailed are clearly British. Available from your local sex shop.

How fantastic it was to see the ever incredible Abigail Toyne back in your mag this issue (38.07). I can't even begin to count the number of times I've showered this stunning lady with my admiration over the years, and I have to say, she's looking just as horny as ever! Pick of the crop had to be the fantastic picture of her bending over, pulling her gorgeous bum cheeks apart and giving us all a wonderful eyeful of her puckered pink hole.

Surely it's every man's dream to look down and see that sight in real life as you ease your fat prick into her tight arse and give her what she's so clearly craving! Just writing about it now is enough to get me all weak at the knees and hard at the prick! Let's have Abigail back again before too long, please! Len, Hants.

Julia says: You really can't keep a good woman down, can you? You definitely weren't the only one to see Abigail back in the mag last month, that's for sure!

DEAR JULIA

Muff Love!

I'm not normally one to complain, but your last issue has left me with no choice but to put pen to paper and ask you to be more careful in future, because for the last five says I've been suffering from an extremely sore knob. I know you'll say it's my fault for wanking it so much, but as soon as I saw those

pictures of Janey with her lovely hairy gash I knew I was going to be in trouble. I've always had a fondness for a really hairy growler and Janey's specimen is an absolute beauty, especially topped off by those fulsome boobs and a face with the sort of dirty glint in her eye that makes it perfectly clear she knows exactly what to do with a stiff prick whenever she gets her hands on one! I hope it happens as often as a woman this sexy clearly deserves – if not, I'd be happy to help out! Martin, Cheshunt.

BANGERS & GASH!

Talk about a blast from the past – MC for this gangbangng frenzy is none other than UK porn veteran John Mason, and he wastes no time in

introducing Scarlett and Cherry, who in turn waste little time in sucking and fucking the masked throng around them. Cocks are here, there and everywhere, and Sarah Jane and newbie Chiara join Scarlett for an even more frenzied fuckfest in part two, the dirty mares! Available from your local sex shop.

It's funny just how many models in this business end up with surnames that are variations on the theme of 'Cox'. Carla here's a classic example – it's almost like they've only really got one thing on the brain...

"Well I guess I do think about them a lot!" she laughs. "Whenever I meet a new guy, almost without being able to help it, I find myself wondering if he's got a nice big cock! Of course if I really fancy him it doesn't usually take too long for me to find out the truth!"

REAL WIFE SEX

Jane and Ray help out a friend in need!

I watched on as she straddled him and slowly eased herself down onto his pole until Ray was ball-deep in her.

"So how have things been since you split up then?" I asked, and she admitted they were pretty terrible. Apparently

she'd never been very into her, which he never quite managed to deny convincingly), so the first

she was evening over we were all quite relaxed together as we had a few drinks and chewed the fat. Eventually we broached the subject of Sally's marriage, and I asked her why it was they'd split up. She went quiet for a bit at this point, before saying there were lots of reasons, really, but ultimately they just hadn't been compatible. Ray asked exactly how, and Sally blushed.

"Well," she said after a moment, "for example sexually we weren't very well matched. He was hardly ever up for it, while I like to..." she trailed off at this point, but we both got the message.

My husband and I have been avid readers of Escort for several years now, and although we're both pretty horny I never dreamt we'd have a story of our own to contribute one day – but all that changed last Christmas. One of my best friends, Sally, had recently split up with her husband, and knowing that she was facing a Christmas on her own I invited her to come and stay at ours for the duration. My husband Ray didn't put up any objections, and Sally was glad of the company, so it was all agreed. Ray and Sally have always got along anyway (I'd often teased him in the past for fancying

she'd never been very into the whole dating thing, and so now she was single she was getting even less sex than she had before.

At this point a wicked thought occurred to me, and I glanced across at Ray. I caught his eye and, clearly realising what I was thinking, his eyes widened in astonishment.

"Is there anything we could do to help?" I asked, my cunny moistening slightly as I thought through the implications.

"Aside from letting me borrow your husband, I don't really think so," Sally joked, but then she saw the look on my face and realised that 'borrowing my husband' was exactly what I had in mind.

At this she flushed bright red, but I reassured her that we were all grown-ups, and I wouldn't mind at all if she borrowed him for the night. At this point Ray turned to me and said: "Well, I think it would be fairer if you joined us as well!" and he grinned as the prospect of bedding both of us sank in.

Well, we were all a bit nervous, but there was no going back, so we finished off our drinks and all headed up to our bedroom.

"So how do we start?" Sally whispered, and I thought I ought to take the lead to make her feel more relaxed, so, as we all stood there, I unbuttoned my blouse and, having let it drop to the floor, unclasped my bra. As my boobs

fell out in the open I heard Sally gasp and then, without further ado, she pulled off her jumper and removed her bra as well. Her boobs were lovely – a bit smaller than mine but very perky, and Ray made an appreciative murmur before walking towards us and cupping one of each of our boobs in his hands. Then, without saying a word, he bent his head down and sucked one of her pink nipples deep into his mouth. Sally moaned, and it was clear she hadn't had this sort of treatment for a while. Wanting to join in, I suddenly had the urge to suck the other one. I'd never had a sexual relationship with another woman before, and now here I was, running the tip of my tongue over my friend's nipple while my husband did the same with the other.

It was clearly all too much for Sally, whose knees buckled a bit as she stood between us, and so we led her over to the bed and lay her down. She just lay there, totally passive, and Ray undid her jeans and slid them – along with her panties – down her long, shapely legs. Now it was my turn to gasp, as her lovely trimmed bush came into view, and my eyes ate in the sight of her as I stripped off the rest of my clothes. Ray, meanwhile, was throwing off his clothes like his life depended on it! When he was

done I couldn't help marvelling at the size his cock had swollen to – he was clearly looking forward to this alright!

Eager to get on with things, Sally beckoned Ray over and brazenly grabbed hold of his cock, pulling him towards her until, after licking her lips greedily, she sank her mouth over his throbbing pole, sucking him deep down her throat and making him groan with pleasure.

Nervously I figured I ought to attend to that inviting looking fanny of hers, so as she set about sucking my husband's prick I eased her thighs apart and ran my finger

message and clambered on top of him. I watched on and marvelled at the sight as she straddled him and slowly eased herself down onto his pole until Ray was eventually buried ball-deep in her soaking quim. Frankly I didn't think he'd be able to hold out too long, and sure enough he grabbed her arse cheeks and began to ram into her from underneath. Reaching in between his legs I cupped his heavy balls in my hand as his shiny cock slammed into her snatch, Sally practically screaming with pleasure each time he drove his length up into her.

ing my hand as she thrashed around on it. I pulled my fingers from her glistening, gaping hole and clamped my mouth over it, lapping away at the sweet nectar as it flowed from her. Mmm, it tasted a bit like my own juice, but it was bubbling hot, and I gulped the stuff down as Sally finally convulsed to the end of her climax.

When she was done Ray pulled his cock from her mouth and lay on the bed beside her, holding his stiff prick straight up. Sally got the

"Eager to get on with things, Sally beckoned Ray over and brazenly grabbed hold of his cock."

up and down her glistening crack, making her tremble as I teased her slippery labia before I slipped a couple of fingers inside her. This was all new to me, and although I've played with my own pussy millions of times the sensation as I felt my fingers slide into someone else's was electrifying. Sally seemed to feel the same way as she started writhing her hips and grinding herself down onto my hand.

By this stage I was getting curious to know what another woman's cunt actually tasted like, so while I left my squirming fingers inside her I lowered my mouth down over her clit and gave it a teasing nibble. This pushed Sally right over the edge, and her body jerked as a massive orgasm crashed over her, her copious juices slick-

Unsurprisingly it was only a minute or so before I felt Ray's balls start to contract, and, eager not to waste his seed I pulled his rod from her pussy and, just as the first jets began to spurt from its tip, I sank my head over the end, gulping down his wonderful jizz just as fast as he pumped it out. In the end, though, there was too much for me, and I pushed his dick back into Sally's gaping hole, where he deposited the rest of his spunk before they both slumped back on the bed.

Well, that was just the start of three of the wildest few days of our lives, and Sally's been coming over regularly ever since. If she ever finds a new man, she's said she might bring him as well.

Cum to the Party!

My wife Terri and I have just been to our first ever sex party at a private club.

Terri was dressed to kill in a flimsy top with no bra, extremely short black skirt, no knickers and stockings and suspenders, finished off with knee-high boots.

Never having been to one of these parties before, we didn't know what to expect, but once we got there Terri was straight on to the dancefloor, making herself the centre of attention with her provocative dancing.

It wasn't long before a crowd gathered round her as two men had started dancing with her and touching her up.

One of the men parted her thighs and inserted two fingers into her knickerless

cunt. He pulled them out soaked in her hot love juice and put them to her mouth.

The dirty bitch licked his fingers clean!

Then Terri dropped to her knees and released his hard cock from his trousers.

Urged on by the crowd, she put his cock balls-deep in her mouth and started sucking on it for all she was worth.

By now the guy behind her had his cock out and he spread Terri's soaking cunt lips apart and rammed his cock deep inside her.

She was being fucked in two holes now but it wasn't enough for my slag of a wife.

She stopped licking cock long enough to shout at the eager onlookers, "I want a cock up my arse as well!"

One man came out of the crowd wearing a big grin and

with an even bigger prick in his hand.

"I'll sort that out for you, you dirty bitch," he smiled and eased his cock into her. He didn't need any lubrication as her arse and thighs were soaked in cunt juice.

Her face was a mixture of pain and ecstasy as she was fucked in all three holes at once.

She looked like a cheap slut in a porn film but she was loving every minute of it and I must admit so was I.

Suddenly another man came out of the crowd with his cock out and started wanking over Terri's heaving body, rubbing her nipples at the same time.

Other men started following his lead and in no time there must have been six men crowded round the scene on the floor, all wanking away.

Suddenly the man whose cock Terri was sucking let out an unearthly moan and exploded what seemed like gallons of spunk straight into Terri's face.

She looked incredible with cum dripping down her chin and she used her tongue to lick up as much of it as she could.

Her own orgasm was building inside her and when the man fucking her cunt came inside her she came too, screaming and gushing juice all down her thighs.

This pushed the third man over the edge and he shot his load up my dirty wife's arse.

Terri rolled over on to her back, cum all over her face and cum dripping out of her cunt and arse.

The six men around her started cumming now, one by one, until Terri was completely slathered with spunk.

Two women came out of the crowd and proceeded to lick up the cum all over her.

Terri had another huge orgasm while they licked her clean.

The crowd gave her a huge round of applause and started drifting off, leaving my wife lying on the floor like a cheap, used whore.

She loved it though and so did I!

David, Midlands.

Christen

To christen, of course, means splashing a baby with a bit of holy water, but we'd much rather be splashing this Christen with something else altogether...

"Oh, you dirty bugger! Still, I guess I wouldn't be appearing in Escort if I wasn't turned-on by the idea of horny guys splashing off over me, would I? I used to leave little naughty photos about the place for my first boyfriend, giving him clues about where I was and where he could find me - he was always so turned-on by the time he caught me there was plenty of splashing off to be done!"

Daria looks a bit sporty in those socks, doesn't she? We bet she must be quite a handful on the netball court...

"Actually hockey's more my thing, although I did play quite a bit of netball when I was younger. I play for a team that went on a little tour last year and, well, the lads in a town when a girls' hockey team come to play had better be on their guard. I shagged four guys, but our goalie... well, let's just say she couldn't keep anything out that week!"

A woman with long dark hair, Tindra, is sitting at a bar. She is wearing a green halter-neck top and is smiling at the camera. In front of her are two glasses of beer. The background shows a bar setting with various items like a red and white striped towel, a sign that says 'PINT OF', and a sign that says 'ARTINI'.

Tindra, it turns out, hails originally from Iceland, and we don't mean the shop that's good for oven chips. So what do Icelanders do to keep themselves warm, we wondered, when they're not sitting around eating decomposing shark and listening to Björk?

"Well first off, it's Björk, you berk! And actually I've never eaten rotten shark in my life. But as for what we do to keep ourselves warm, well isn't it obvious? After all, those long nights are just perfect for some hot action in the sack!"

Mmm, roll on winter then!

MIA

There are thousands of varieties of sex toys out there, but Mia here swears by her magic wand, which has been her favourite ever since she treated herself to it a couple of years ago...

"Yes, it's so powerful. I've got quite a few vibes and they're all nice – and they all bring me off sooner or later, but nothing can top the clit-thrilling buzz I get from my wand. One time last year I gave myself five orgasms in a row! I was completely drained by the end, but I just couldn't help myself!"

Somebody ought to sort this girl out with a proper cock, quick!

You can't beat a lock-in at your local boozier, can you? And as well as a chance for a couple more sneaky pints, regulars at Eva's regular haunt just outside Manchester quite often get treated to a bit more than that...

"Well, a few drinks always make me frisky, and my fella's not the jealous type, so yes, there have been one or two occasions when there was a lot more head going around than the frothy stuff on top of the pints!"

Dirty Trucker!

I am writing to tell you about a recent encounter I had when going away for the weekend recently. We were travelling down the motorway and as usual I was wearing something sexy, it was a black see through dress with nothing on underneath. We had been travelling for a few miles and several long distance lorry drivers had seen me and either blown their horns or smiled and flashed their lights at me.

I don't think the next driver who saw me could believe he eyes as we passed him he flashed his lights and then put his foot down to catch us

up. When he got alongside he put his window down and began to flick his tongue as though he was licking my cunt and then he started to motion with his hand me sucking him off, as he was quite good looking I gave him the thumbs up and nodded to him and telling him to pull in at the next service station which was about 2 miles further down the motorway.

This got me very excited and I could feel the juices in my cunt bubbling. We pulled into the service station and parked up in the lorry park. The guy in

the truck pulled up alongside and opened his door. I climbed into the cab and closed the door behind me.

He said, "Hi, my name is Callum and I would love to fuck you!"

I said "I'm Dee and I would love you to, but I need to feel that tongue on my clit first."

He laid me on the bed, pushed my dress up around my waist and spread my legs apart. He started to kiss my belly and then worked his way down to my cunt. I was so excited that as soon as I felt his tongue

I came straight away, my juices gushed and I soaked his bed.

He unzipped his jeans and out popped the biggest cock I had seen in ages, I opened my mouth and started to lick the bulbous head, once it was nice and wet I began to suck him off. After a couple of minutes he said he wanted to fuck me and fuck me hard.

I opened my legs and anticipated his huge cock entering me. I was so wet and horny he slid into me easily, he fucked me hard and fast I had four orgasms before he said he was going to cum.

He shot his load into me which set me off again, and I screamed in ecstasy.

I said it was time to leave but before I did I told him that I wanted him to lick my cunt again just once more for the road. Callum kindly obliged and gave me another orgasm.

We exchanged numbers and I am sure to be calling him again in the near future.

Dee, Lancs.
